### **Wildlife flourishing at St. John's:**

Hello everyone. I thought that I would share with you the heart warming news that wildlife is flourishing in the St. John's church gardens. On Friday the 10th May, Richard saw a slow worm slither across the front lawn by the church notice board during Friday Fellowship and on Sunday 12th May Zion, aged 9, found this lizard in the church grounds.

Please keep an eye out for any more wonderful wildlife as we explore our church grounds and lets give praise and thanks to our amazing Creator God for all the diversity and beauty that we see in nature.

God bless,  
Richard
