## CIRCUIT TRAINING

Thanks again to Geoff Collett and Julie fair for their help with this initiative. As you can see it's going down a treat!

## MARRIAGE COURSE

Time and space to invest in your relationship. Over zoom on Wednesdays with no group work and where all conversations are private. Something for everyone however long you've been together.  
Starts 17th Feb

## FREE STUFF @ THE FREE SHOP

Do you have unwanted items at home? Send a picture of it to Julie via Whatsapp 07899077035 or email [julie58fair@btinternet.com](mailto:julie58fair@btinternet.com) and we'll advertise your items to the free shoppers. If someone wants your item, we will contact you so you can either drop it off to the free shop for it to be collected, or we can pick it up.

## RICHARD AT SCHOOL

Southbourne Junior school has invited Richard to be interviewed about Jesus and the Christian Faith as part of their RE curriculum. Please pray growth over these tiny seeds sown.

## FEELING THE PINCH

Please continue to pray for families at this time. Home schooling is a real challenge for which much patience is needed and for those who are juggling employment on top of that, there just aren't enough hours in the day. Hang in there families, we're here for you.

## ALPHA TUESDAYS 8PM

Yesterday we were looking at "How can I have faith?" Next Tuesday will be "Why and how do I pray?" If that topic interests you, please come along. Contact [families@stjohnssouthbourne.com](mailto:families@stjohnssouthbourne.com)
